Programme for Executives (ePGPx). This programme is introduced for the first time keeping in mind the need of working professionals. It will give participants a blended learning experience, as the format is tailored on a composite delivery mode with a mix of online and offline sessions through state of the art Online Learning Platform.

The programme aims at providing practical knowledge and personalized learning with a focus on intensive, multi-functional view on leadership. The course, with over 625 hours of academic rigor, will encourage participants to reflect, analyse, critique, innovate and eventually learn the intricate aspects of the present day businesses with case based pedagogy.

This programme will focus on sharpening critical managerial skill sets and solidifying leadership capabilities, hence candidates with at least 5 years of managerial/entrepreneurial/professional experience can benefit with this programme.

On the occasion of programme launch, Director IIM Rohtak, Prof. Dheeraj Sharma said, “I am delighted to introduce One Year Post Graduate Programme for Executives (ePGPx) at IIM Rohtak. The ePGPx Programme is designed to deliver cutting edge management practices along with well-established principles of management. The academic rigor of the program is ensured through excellent program design and latest management curriculum. The program will be delivered by the IIM-Rohtak faculty, which is amongst best in research faculty in the country. This program will provide the mid-career managers with an opportunity to accelerate their careers.” Last date for registration to this programme will be 1<sup>st</sup> March 2018.
